## CITY OF UNADILLA, GEORGIA SELECTS ESG OPERATIONS, INC. TO MANAGE THE CITY'S PUBLIC WORKS AND UTILITY DEPARTMENTS

DULUTH, GA (OCTOBER 23, 2009)—The City of Unadilla, Georgia has selected ESG Operations, Inc. (ESG) to manage the City's public works and utility departments. ESG transitioned the City's Public Works Department on October 1, 2009.

The ESG/Unadilla Partnership will bring 6 new associates to ESG. "We are excited about this great opportunity to bring world class utility management services to the City of Unadilla," said Darrel West, Corporate Safety Director for ESG Operations, Inc. "We look forward to making the ESG/Unadilla Partnership a model for all small to mid-sized communities across Georgia."

"I am very excited about the partnership ESG and the City have entered into. This partnership will allow us to provide our citizens the quality public works service they deserve. I am very impressed with just how much has been accomplished in such a short time and look forward to a long standing partnership with ESG" said the Honorable Mayor of Unadilla, Charles West.

This 10-Year Partnership calls for ESG to operate, maintain and manage Unadilla's entire Public Works System, which consists of 70 acres land application wastewater treatment system, water treatment, roads, fleet maintenance, natural gas services, animal control and collection/distribution activities for the 3,200 individuals residing in Unadilla.

Unadilla is located in the heart of Georgia approximately 40 miles south of Macon, GA. Unadilla is a wonderful example of middle Georgia history and southern charm. The quaint town is nestled off of I-75 deep in the heart of pecan country.

### ABOUT ESG

ESG Operations, Inc. is one of the nation's fastest growing full service utility management and engineering companies. ESG provides innovative solutions to a wide range of environmental and infrastructure projects. The principals of ESG have extensive experience as both design engineers and contract utility operators. This unique blend of skills enables ESG to develop innovative, cost effective approaches to meet your specific utility needs. ESG's Corporate Headquarters is located in Duluth, Georgia.
